PHYSICIAN'S/DENTIST'S ORDERS FOR MEDICATION AT SCHOOL

Whenever possible, the parent and physician will design a schedule for giving medication outside of school hours. Medication is ordered to be given to a student at school only when necessary. Medication is defined as both prescription and non-prescription. Medication may be kept by patient and self-administered upon physician authorization only (this is usually inhalers only) or medication may be kept and administered by a school nurse, principal, or other designated personnel.

The school accepts no responsibility for untoward reactions when the medication is dispensed in accordance with the physician's directions.

PARENT PERMISSION STATEMENT:

I request that my child be allowed to take the prescribed medication as described above. The medication is to be furnished by the parent in the original container labeled by the pharmacy or physician with the name of the medicine, the amount to be taken, and the time of day to be taken. The physician's name is on the label. I understand that my signature indicates my understanding that the school accepts no liability for untoward reactions when the medication is administered in accordance with the physician's directions. This authorization is good for the current school year only. In case of necessity the school may discontinue administration of the medication with proper notice. I am the parent or legal guardian of the child named on this form.
